

Acuity Controls Sensor Switch®

Proudly offers products
manufactured in the United States

Sensor Switch is proud to offer domestically produced products for customers requiring United States Point of Manufacture (USPOM). For a complete listing please visit www.acuitybrands.com/about-us/agents/buy-american.

For a complete listing of available USPOM products please visit our website at www.acuitybrands.com/about-us/agents/buy-american. To determine whether our selection meets a specific regulation requirement for a government project utilize our Agency Checklist for Domestic Procurement form on the Acuity Brands agent portal and contact your Acuity Quotations Manager.
