

BUY AMERICAN

The American Recovery and Reinvestment Act (ARRA) has authorized funds for the construction and renovation of government facilities. Acuity Brands has energy efficient lighting products and controls that meet the “Buy American” requirements.

PEERLESS®

MARK ARCHITECTURAL LIGHTING

Acuity Brands is a leading manufacturer of lighting fixtures and systems for many reasons: superior value, the broadest product offerings, competitive pricing, outstanding logistics and the strongest sales and distribution network in the industry. Products include indoor and outdoor lighting and controls for commercial, institutional, industrial, infrastructure and residential applications.

Contact your local sales representative to assist you in the selection of these products. For more information, visit www.acuitybrands.com/gov or email us at government@acuitybrands.com

AcuityBrands.
