

# NEW! Sunoptics® Quick Ship Program

**Shorter Lead Times.  
Lower Freight Costs.  
Premium Skylights.**

Provide your customers with high-performance Sunoptics prismatic skylights while saving time and money. Introducing the new Sunoptics Quick Ship program, created to give you access to stock products at warehouse locations nationwide including: **Sacramento, Dallas, Chicago, and Atlanta**, with **Carlisle, PA** available in Spring 2015.

UNIT	FITS OD BARE CURB
4'X8' Double-Glazed	51"X99"
5'X6' Double-Glazed	62-3/8"X74-3/8"
4'X4' Double-Glazed	50"X50"

No other skylight manufacturer can deliver such availability across a broad geographic area like Sunoptics. This means shorter lead times and lower freight costs for you. And the Sunoptics leak-free limited warranty is also standard with purchases.

**35%**  
more light

**100%**  
diffused light

Sunoptics Signature Series prismatic skylights are designed to capture more light and evenly distribute for more hours per day. The above listed skylights are Class 1 created to resist 1.25" hail and all include equipment needed for installation.
