

U.S. Consumer Product Safety Commission – Recall

Recall Date: December 15, 2015

Recall Number: 16-715

Lithonia Lighting Recalls Light Fixtures Due to Risk of Injury (Recall Alert)

<http://www.cpsc.gov/en/Recalls/2016/Lithonia-Lighting-Recalls-Light-Fixtures>

Recall Summary

Name of Product: JHBL LED Fixtures

Hazard: The metal hub used to mount the light fixtures to the ceiling can break and allow the fixture to fall unexpectedly, posing a risk of injury from impact.

Remedy: Repair.

Consumers should immediately contact Lithonia Lighting to receive a free chain to secure the fixture to the ceiling. Lithonia Lighting is contacting all known customers.

Consumer Contact: Lithonia Lighting at 800-315-4963 from 8 a.m. to 5 p.m. ET Monday through Friday, or online at www.lithonia.com and click on “JHBL LED Recall Information” on the left side of the page for more information.

Recall Details

Units: About 6,500

Description: This recall involves JHBL LED light fixtures manufactured between August 2014 and June 20, 2015. Manufacture dates are located on the product label near the top of the light fixture. The light fixtures measure 16-inches high by 22-inches wide and weigh about 40 pounds. The fixtures are painted white die castings with raised heat dissipating fins every 2 inches. The lower die casting with fins is approximately 4 inches from the driver compartment box. Units shipped after June 20, 2015 are not included in the recall.

Incidents/Injuries: Lithonia Lighting has received eight reports of hubs on the light fixture breaking, including four reports of the fixtures falling. No injuries have been reported.

Sold by: Electrical distributors nationwide from August 2014 through June 2015 for about \$520.

Importer: Acuity Brands Lighting, Inc., of Conyers, Ga., Lithonia Lighting is a division

Manufactured in: Mexico

About U.S. CPSC:

The U.S. Consumer Product Safety Commission is charged with protecting the public from unreasonable risks of injury or death associated with the use of thousands of types of consumer products under the agency's jurisdiction. Deaths, injuries, and property damage from consumer product incidents cost the nation more than \$1 trillion annually. CPSC is committed to protecting consumers and families from products that pose a fire, electrical, chemical or mechanical hazard. CPSC's work to ensure the safety of consumer products - such as toys, cribs, power tools, cigarette lighters and household chemicals – contributed to a decline in the rate of deaths and injuries associated with consumer products over the past 40 years.

Federal law bars any person from selling products subject to a publicly-announced voluntary recall by a manufacturer or a mandatory recall ordered by the Commission.

To report a dangerous product or a product-related injury go online to www.SaferProducts.gov or call CPSC's Hotline at 800-638-2772 or teletypewriter at 301-595-7054 for the hearing impaired. Consumers can obtain news release and recall information at www.cpsc.gov, on Twitter [@USCPSC](https://twitter.com/USCPSC) or by subscribing to CPSC's [free e-mail newsletters](#).
