 - For Mark, Peerless, and Gotham, the complete Design2Ship catalog number(s) will include "QS" if part of the program. If you have an UNK, NCI, or BOM status, re-check your spec sheet to correct nomenclature.
 - Aculux and Indy part numbers should be constructed from program-eligible options in green text on the spec sheets. If you have an UNK status, re-check your spec sheet to correct nomenclature.
3. Products not included in the Design2Ship program must be entered on a separate purchase order.*
4. Please be aware of the maximum order quantity listed on the product specification sheet. **
5. Please indicate any shipping notes or site restrictions.
6. Order requirements include:
 - Complete ship-to address
 - Contact information
 - Complete quick ship catalog number
 - Pricing and commission rate
7. Orders flagged as Ship Complete, with grouped lines or with "Not Before" dates will not qualify for the Design2Ship program.
